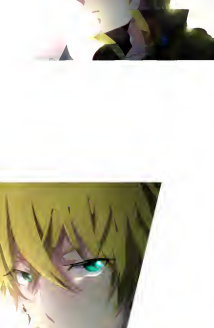
Hmmmm~



He is living... footprints...

Isn't it weird?

... I slowly saw him going in this direction...

There was no footprints at that time

Was he floating or something ? It really is strange

... So this person...

Urgh, not only he erased broke my arm

he also just left without an apology...!

Oh, so... First

... Thank you ... For returning it

... And ... this...

... This...

... I'm sorry...

Ah
...Uh, no... It...
. It's...okay
Flattered for being apologized to
Embarrassed from apologizing
Then... Okay
Then this way
CLICK
A, it's a dead end this way
Then this way
Ah, it's a dead end that way too

Do you
know this route well?
Eh... This area? More or less.
Excellent

Follow me

Kuuuuuh
HOOOOHHH!!!

Psh... Well,

It can't be helped now that I'm caught

I don't know what but you won't caught with anything!!!

Good. In this situation

You will participate in this operation, Mary

Okay. If you're done talking, let's go

I can't you listen to what a person is saying!!!

How can you put it...

pass...

AAAA

...Hm.
...Uhhh
You know. If you keep fooling around
you would get hurt right ?
Are you alright?
